PROJECT C3103

JENSEN: Order all paint and stencils and
start project on arrival of material!
HJI

Beynon

Please immediately arrange at all points to renumber
550 box cars being returned from Railbox Company in accordance
with the following instructions:

1. All empty cars now on hand or received empty at interchange points are to be immediately renumbered.
2. Steel stamp "BR" side sill at bolster with existing RBOX car number and reporting marks using 1/2 inch figures.
3. Completely paint over all reporting marks and car numbers with a color to match the surrounding car color. The car numbers and reporting marks may appear on the sides, ends, doors, interior walls and trucks.

Do Not Alter Equipment Trust Stencils.

4. Stencil U.P. standard 14-inch reporting marks and numbers on sides of car, 4 inches on ends of car, 2 inches inside car and on trucks and anywhere else the original numbers and reporting marks appeared previously.

Acquire paint and stencils for Store stock or Omaha
Paint Shop, as required.

Estimated time standard is 1.0 man hours.

Material and labor costs are chargeable to Operating
Expense.

Report car completions by submitting EQM card for
Project C3103.

Attached is list of RBOX car numbers and UP numbers
to which each should be renumbered.
