## GENERAL INFORMATION

ITEM	SUBJECT	APPLICATION
10	SCOPE OF CIRCULAR	This circular contains all common or local stations on the UP; also stations on the CSP,PRTD,SI or YVT which are so designated.
20	SPECIAL NOTICE	This circular is published for information only and must not be used as authority for routing or terminal services which are governed by tariffs lawfully on file with the Interstate Commerce Commission or State Commission.
30	DIRECT SWITCH SERVICE	Where reference in this circular is made to the term "Direct", the industry shown opposite thereto is served by the carrier named. The UP may participate in road haul service from or to the station where the industry is located.
40	RECIPROCAL SWITCH SERVICE	Where reference in this circular is made to the term "Reciprocal", the industry shown opposite thereto is served by trackage of the carrier shown and the UP can participate in road haul service from or to the station where the industry is located.
50	TARIFF ROUTE SWITCH SERVICE	Where reference in this circular is made to the term "Tariff Route", the industry shown opposite thereto is served by trackage of the carrier shown at a station where no facilities exist for the interchange of carload freight. The UP can only participate via tariff routes from or to stations beyond the station where the industry is located.
60	TEAM TRACK SWITCH SERVICE	Where reference in this circular is made to the term "Team Track", the industry shown opposite thereto is served by team track. The carrier serving the team track usually permits its use only when they participate in road haul service from or to the station where the industry is located.
80	U.S. GOVERNMENT SWITCH SERVICE	Where reference is made hereto, tracks and other facilities are owned and operated by the U.S. Government. Inbound or outbound cars are placed by the UP on interchange tracks of the Government Railroad. Cars for loading or unloading on the Government property are handled by the Government Railroad.
100	ASSOCIATED RAILROADS	Where reference is made hereto, Associated Railroads is an association comprised of ATSF, BN, CS, DRGW and RI. Denver, Colorado rates apply. Shipments should be billed to Denver in care of Associated Railroads. Partially unloaded cars are not subject to reciprocal switching but should be billed to transload North Platte, Nebr. on Associated Railroads' portion.
120	RECIPROCAL OR TARIFF ROUTE ON COMPETITIVE OR NON-COMPETITIVE TRAFFIC	<p>Where reference is made hereto-</p> <ul style="list-style-type: none"> <li>(a) Reciprocal Switching will apply on non-competitive traffic.</li> <li>(b) Reciprocal Switching will also apply on competitive traffic stopped for partial unloading when transloaded enroute moving via Laramie, Wyo.</li> <li>(c) Except as provided in Paragraph (b), Tariff Route will apply on competitive traffic.</li> </ul>
